

World Orphan Drug Congress

July 11-13, 2022 | Hynes Center, Boston, MA

Panel Title: Leveraging and managing relationships within the rare cancer space

Our President & CEO, Sanjeev Luther, was honored to speak at this year's World Orphan Drug Congress. Sanjeev joined a panel discussion with leading experts in the rare disease ecosystem to discuss leveraging & managing relationships within the rare cancer space.

During the event, Sanjeev shared: "Help us help them. Passion and hope!! Never give up. Fight and fight until we get the outcome we want."
